### Wednesday Leisurely Ride

**Riders / new riders wishing to ride with the Leisurely Group can contact Garry Naismith on 9781 3675 or 0418 236028 to receive general information on club rides, equipment, starting point and ride description.**

The Leisurely Group like to enjoy the scenery, have frequent stops for a breather and a drink and enjoy wending our way along rail trails rather than sticking to the sometimes busy roads. We offer alternatives to the main calendar rides for those who want a more relaxing experience.

We are also a comfortable entry ride group for nervous beginners who may then graduate to the 'Fast' rides.

Shorter ride options can be included within some rides for less experienced riders.

All rides – Bring or buy lunch as detailed in the ride calendar.

Some rides are BYO Lunch ONLY.

**All rides meet at 0945 for 1000 Departure (except for train ride, departing Frankston Station as detailed)**
