

Peninsula Pedallers Ride Calendar 2nd Quarter 2019

Peninsula Pedallers Ride Calendar 2nd Quarter 2019									
The following is applicable to all rides (Sunday L & F, Wednesday L & F)									
If the weather is inclement (32+ or significant rain), it is the responsibility of intending riders to check with the ride coordinator.									
NB – this is particularly important when start is distant; the coordinator cannot be expected to drive many km to start.									
Your Committee is concerned with declining ride participation. This is particularly evident for the Sunday Leisurely rides.									
In a effort to boost participation, the following changes are being trialled as a means of trying to encourage more riders to ride more often.									
Ride meeting and start times will be later for the cooler / winter months.									
First and Fourth Quarter meet times are 0845 with a start time of 0900.									
Second and Third Quarter meet times are 0945 with a start time of 1000.									
One ride per month will be a Combined ride for both Fast and Leisurely riders which may have different starting points but have the same destination.									
The Fast Combined ride is shown as FC and the Leisurely Combined ride is shown as LC in the Ride Category on the calendar below.									
Sunday Leisurely rides will be every second Sunday. Ie There will be only 2 rides per month. Leisurely rides are usually shorter.									
Sunday Fast rides will continue as every Sunday. Faster rides require more stamina.									
First Quarter and Fourth Quarter : All rides meet at 0845 for 0900 Departure (unless otherwise notified prior to intended ride, or as noted in the comments section below)									
Second Quarter and Third Quarter : All rides meet at 0945 for 1000 Departure (unless otherwise notified prior to intended ride, or as noted in the comments section below)

Wednesday Leisurely Ride

Riders / new riders wishing to ride with the Leisurely Group can contact Garry Naismith on 9781 3675 or 0418 236028 to receive general information on club rides, equipment, starting point and ride description.

The Leisurely Group like to enjoy the scenery, have frequent stops for a breather and a drink and enjoy wending our way along rail trails rather than sticking to the sometimes busy roads. We offer alternatives to the main calendar rides for those who want a more relaxing experience.

We are also a comfortable entry ride group for nervous beginners who may then graduate to the 'Fast' rides.

Shorter ride options can be included within some rides for less experienced riders.

All rides – Bring or buy lunch as detailed in the ride calendar.

Some rides are BYO Lunch ONLY.

All rides meet at 0945 for 1000 Departure (except for train ride, departing Frankston Station as detailed)
